Chairperson's Summary

Thank you to all members of the selection panel who contributed their expertise during the 2023-24 season.

We had a condensed year with most selected events moving into the first half of the season after Bowls Victoria moved the dates of the Region Sides Championships from May back to January. With Ballarat selected to host, this was a fantastic opportunity to not only showcase the playing area and our ability to host significant events, but also to show the talent we have throughout the region with a great opportunity on “home” greens.

Throughout the 2023-24 season Ballarat Highlands fielded teams in:

- Whykes Shield (Men-only event vs Geelong Region)
- Page/Webster Shields (Women-Only Event vs Geelong Region)
- Provincial Shield (vs Geelong, & Bendigo/Campaspe/Goldfields)
- Region Sides Championship

All events were hosted in the Ballarat region.

Thank you to

- Victoria: Host of the Whykes & Page-Webster Shields
- Sebastopol: Host of the Provincial Shield
- Victoria, Sebastopol, Central Wendouree, Webbcona: Hosts of the Region Sides Championships

We had some great results throughout the season on the green.

- Valerie Page Shield retained by BHBR
- Provincial Shield (Men) won by BHBR
- Provincial Shield (Women) won by BHBR
- Bowls Vic Region Side Championships Silver Division (Women) won by BHBR

The successful Region Side campaign by our women's team means that BHBR has been promoted to the Gold Division for the 2024-25 season.
